

UPS and FEDEX INTERFACE

D2V SHIPPING INTERFACE for UPS WORLD SHIP FEDEX SHIP MANAGER CAFE

The One Day To Value Vision33, Inc. UPS WORLDSHIP and FEDEX SHIP MANAGER CAFÉ INTERFACE Addon provides a bridge between SAP Business One and either or both of these shipping applications. This makes it possible to export shipping costs and charges from the shipping solution directly into the Delivery document in SAP Business One.

This solution is most suitable for those companies which have already deployed and are currently productively using either or both of these applications.

UPS WORLDSHIP is provided by United Postal Service (UPS). The landing Page for UPS World Ship is:
